MINDEN NEVADA

BENTLY HERITAGE

ESTATE DISTILLERY

ESTATE GROWN. ESTATE MADE.

Our ultra-premium spirits are made from grain sourced from our land here in Minden, Nevada. We strive to elevate the passion that connoisseurs have for spirits, creating an experience that will be treasured by those who truly understand our mission to explore the abundance that nature offers and innovate on traditional techniques.

Our journey begins when we plant our estate grains on the Bently Ranch. Fermentation, distillation, aging, and bottling all take place within our estate. Spent grains are then returned back to the land in the form of compost or feed for our cattle. This cycle of growth, use, and reuse results in a true expression of the land, the people, our principles, and the artistry that goes into every glass.
